My clothes are all ragged my goodwill coat's not the best
And I'm a walking on cardboard in my last dollar dress
I looked in the closet for my wedding gown
But the box that it came in was all that I found
He took everything with him that wasn't nailed down
Bet he's got a new sweetheart to fill my wedding gown
But somewhere I'll find him then I'll have peace of mind
And the box he comes home in will be all satin lined
[steel]
He took everything with him...
