(Cold cold heart)

I tried so hard my dear to show that you're my every  
dream

Yet you're afraid each thing I do is just some evil  
scheme

A mem'ry from your lonely past keeps us so far apart  
Why can't I free your debtful mind and melt your cold  
cold heart

Another love before my time made your heart sad and  
blue

And so my heart is paying now for things I didn't do  
In anger unkind words are said that make the  
teardrops start

How can't I free your debtful mind and melt your cold  
cold heart

(Cold cold heart)

There was a time when I believed that you belonged to  
me

But now I know your heart is shackled to a memory

The more I learn to care for you the more we drift apart  
Why can't I free your debtful mind and melt your cold  
cold heart

(Cold cold heart)
