You've been playin' it cool
I've been playin' a fool
(Ooh, wah)

Now don't you give me that cool love
(Give me that cool love)
Give me the kind I need
(The kind I need)

Let's start gettin' with it, baby
You're actin' like a square to me
(Baby)

Well, love's gotta be warm
And love's gotta be right
And this ain't no ice cube
That you're with tonight

So don't you dish me out the cool love
(Give me that cool love)
It don't move me at all
(Move me at all)
And if you'd live it up, baby
Man, we'd really have a ball
(Baby)

You've been playin' it cool
I've been playin' a fool
(Ooh, wah)

Now don't you give me that cool love
(Give me that cool love)
Give me the kind I need
(The kind I need)

Let's start gettin' with it, baby
You're actin' like a square to me
(Baby)

Now the clock is strikin' one
And we ain't had no fun
Just throw your arms around me

And the night has just begun

Now that's a little more like it
(A little more like it)
Now you're doing all right
(Doing all right)

And if you keep it up, baby
I'll see you tomorrow night
(See you tomorrow night)
See you tomorrow night
(See you tomorrow night)

See you tomorrow night
(See you tomorrow night)
See ya
(Yeah)
