Don't worry bout me it's all over now though I may be
blue I'll manage somehow
Love can't be explained can't be controled one day it's
warm next day it's cold
Don't pity me cause I'm feeling blue don't be ashamed
it might have been you
Oh oh oh oh oh love kiss me one time then go love I'll
understand don't worry bout me
[guitar]
Sweet sweet sweet love I want you to be as happy as I
when you loved me
I'll never forget you your sweet memory it's all over
now don't worry bout me
When one heart tells one heart one heart goodbye one
heart is free one heart will cry
Oh oh oh oh oh sweet sweet baby sweet baby sweet it's
all right don't worry bout me
