What a beautiful thought I am thinking concerning the
great speckled bird
Remember her name is recorded on the pages of
God's holy word
Desiring to lower her standards they watch every move
that she makes
But they long to find fault with her teaching but really
they find no mistakes
[dobro - steel]
I am glad I have learned of her meekness I am proud
that my name is on her book
For I want to be one never fearing the face of my
Saviour's true look
When he comes descending from heaven on the cloud
as he write in his word
I'll be joyfully carried to meet him on the wings of the
great speckled bird
