He's got the whole world in his hands he's got the
whole wide world in his hands

He's got the whole world in his hands he's got the
whole world in his hands

He's got the little bitty baby in his hands he's got the
little bitty baby in his hands

He's got the little bitty baby in his hands he's got the
whole world in his hands

He's got the whole world...

He's got you and me brother in his hands he's got you
and me sister in his hands

He's got you and me brother in his hands he's got the
whole world in his hands

He's got the whole world...

He's got everybody here in his hands he's got
everybody here in his hands

He's got everybody here in his hands he's got the
whole world in his hands

He's got the whole world...
