(Johnny Nash)

I don't want to hear it
No more fussin' and a fightin'
Baby hold me tight
Just let bygones be bygones
Let's think about tomorrow
Our future's bright.

I know I was wrong
I was just a fool too blind to see
you were the only one for me
But now I see the light
And everything's gonna be alright
Baby hold me tight.

[Pa pa pa pa pa pa]
I know I was wrong
I was just a fool too blind to see
you were the only one for me
But now I see the light
And everything's gonna be alright
Baby hold me tight.
