I don't care what anybody thinks of me
My pride is gone and here I am on bended knees
I want you and I need you, that's all I know
And I'd fight the world before I'd ever let go go

I'd gladly beg, I'd steal, I'd borrow
I'd turn my back on everyone I know
I'd do these things with no fear of tomorrow
I'd fight the world before I'd ever let go go

I'd gladly beg, I'd steal, I'd borrow
I'd turn my back on everyone I know
I'd do these things with no fear of tomorrow
I'd fight the world before I'd ever let go go
