I'm in the middle of a heartache
Half out, half in
Not quite out of love with you
Not too much in love with him

I'm in the middle of a heartache
Half way, half blue
Can't give all my love to him
When I'm still in love with you

Just when I think that, I've forgotten you
The mem'ry of your love grows dim
That old pain starts again of wanting you
More than I ever wanted him

I'm in the middle of a heartache
Heart old, heart new
Can't give all my love to him
When I'm still in love with you

Just when I think that, I've forgotten you
The mem'ry of your love grows dim
That old pain starts again of wanting you
More than I ever wanted him

I'm in the middle of a heartache
Heart old, heart new
Can't give all my love to him
When I'm still in love with you
(In love with you)
