"Is This My Destiny"

Cursed with sorrow, pain and woe
Full of feeling I can't show
Hopeless love, what else for me?
Is this my destiny?

At night I toss and wonder
Why I must live while others die
The grave would be escape for me
From this my destiny

I know God surely made for every man
Somewhere a maid
Someone stole my love from me
Is this my destiny?

At night I toss and wonder
Why I must live while others die
The grave would be escape for me
From this my destiny
