(Just between you and me)
So I feel so blue sometime I want to die and so I've got
a broken heart so what
They say that time will heal all wounds in mice and men
And I know someday I'll forget and love again
But just between you and me I've got my doubts about
it
Just between you and me you're too much to fotget
So I've lost the only one I ever loved and so I've never
felt so low so what
I'll just tell myself each time I wanna cry
That someday time will dry the teardrops from my eyes
But just between you and me I'm not so sure about it
Cause just between you and me you're too much to
fotget you're too much to fotget
