You have gone and yet I'm still your prisoner
Though you're with your new love I'm not free
For you have placed a lock around my heart dear and
you are the keeper of the key
Love locked inside like mine just burns constantly oh
darling please come back to me
We'll lock our hearts together for a lifetime and God
will be the keeper of the key

(God will be the keeper of the key)
Only you can break the chains that bind me only you
can end my misery
No one else can dry the tears that blind me for you are
the keeper of the key
Love locked inside like mine...
