Oh, let me go, let me go, let me go lover  
Let me be, set me free from your spell  
You made me weak, cut me deep I can't sleep lover  
I was cursed from the first day I fell

Oh, you don't want me but you want me to go on  
wanting you  
How I pray that you will say that we're through  
Oh, turn me loose what's the use let me go lover  
Let me go, let me go, let me go

Oh, you don't want me but you want me to go on  
wanting you  
How I pray that you will say that we're through  
Oh, turn me loose what's the use let me go lover  
Let me go, let me go, let me go
