Just one more dance, just one more chance
So I can talk to you
Don't run around, don't turn me down
And I will try to prove
I would do anything you want me to

Just one more dance, just one more chance
Let me talk to you

Don't go too far with that crowd at the bar
That's not the way to win, please fall in love again
Give me your heart
So I can start to build our life anew

Just one more dance, just one more chance
Let me talk to you

Don't go too far with that crowd at the bar
That's not the way to win please fall in love again
Give me your heart
So I can start to build our life anew

Just one more dance, just one more chance
Let me talk to you
