Let's say goodbye like we said hello in a friendly kind
of way
There's something wrong your love is gone I've no
reason now to stay
We live and love we meet and part and broken hearts
must pay
Let's say goodbye like we said hello in a friendly kind
of way

Your love sweetheart I won't forget you're always on my
mind
You're all the happiness I knew so thoughtful sweet and
kind
For old time sake I'm asking you to think of me some
day
And let's say goodbye like we said hello in a friendly
kind of way
[guitar]
I wish you happiness sweetheart in everything you do
May good luck always come your way and every dream
come true
I'll remember you and the love we knew our love of
yesterday
So let's say goodbye like we said hello in a friendly
kind of way
