© '67 Perkins Publishing

Well I'm gonna start out walkin' just you wait and see
Uh-huh guitar picker you ain't leavin' without me
Oh you big mouth woman you long legged guitar
pickin' man

But we can work this out uh huh yes ma'm I think we
can

Well I stole the Hope diamond hopin' I could shut your
mouth

But how am I gonna wear it if I got to hide it out

Well you big mouth woman...

Well I bought you a first class ticket for a luxury liner
cruise

I got out in that ocean looked around and there was
you

Oh you big mouth woman...

I bought you a big long limousine but I don't want no
car

I gave my love and everything but you're still what you
are

You're just a big mouth woman...

Oh honey I love that big sweet mouth you a long legged
guitar pickin' man

Ha ha I'm gonna pick it for you now you a nice guitar
pickin' man
