Making believe that you still love me
It's leaving me alone and so blue
Still I'll always dream but I'll never own you
Making believe, it's all I can do

I can't hold you close, darling, when your not with me
You're somebody's love, you'll never be mine

Making believe I'll spend my lifetime loving you
And making believe

I can't hold you close, darling, when you're not with me
You're somebody's love, you'll never be mine
Making believe I'll spend my lifetime loving you
And making believe
