Yes, my baby left me, never said a word
Was it something I done something that he heard
My baby left me, yeah, he left me
My baby even left me, never said a word

Lord, I'm standin' at my window wring my hands and
cry
I hate to lose that man, hate to say goodbye
You know he left me, yeah, he left me
My baby even left me, never said a word

Maybe one of these mornings, Lord, it won't be long
You'll look for me, honey, but your baby will done gone
You know you left, yeah, you left
My baby even left me, never said a word

Lord, I'm standin' at my window wring my hands and
moan
All I know is that all my love is gone
My baby left me, yeah, he left me
My baby even left me, never said a word

Yeah, my baby left me, never said a word
