When the evening sun goes down
You will find me hanging 'round
Oh, the night life ain't no good life
But it's my life

Many people just like me
Dreaming of old used-to-be
Yeah, the night life it ain't no good life
But it's my life

Yeah, listen to the blues they're playin'
Yeah, listen to what those blues are sayin'

Mine is just another scene
From the world of broken dreams
Yeah the night life it ain't no good life
But it's my life
