(Don Robertson - Hal Blair)

Please help me I'm falling in love with you
Close the door to temptation, don't let me walk through
Turn away from me darling, I'm begging you to
Please help me I'm falling in love with you.

I belong to another whose arms have grown cold
But I promised forever to have and to hold
I can never be free dear, but when I'm with you
I know that I'm losing the will to be true.

Please help me I'm falling in love with you
Close the door to temptation, don't let me walk through
Turn away from me darling, I'm begging you to
Please help me I'm falling in love with you.

(Please help me I'm falling) in love with you...
