(Eddie Miller - W.S. Stevenson - Robert Yount)

Oh please, release me let me go  
For I don't love you anymore  
To live together is a sin  
Release and let me love again.

Oh, I have found a new love dear  
And I'll always want him near  
His lips are warm while yours are cold  
Release me my darling, let me go.

--- Instrumental ---

Oh, I have found a new love dear  
And I'll always want him near  
His lips are warm while yours are cold  
Release me my darling, let me go.

Oh please release me let me go  
I said, I just don't love you anymore  
To live together is a sin  
So release and let me love again.

Release and let me love again...
