

Wanda Jackson "Singing The Blues"

I never felt more like singing the blues
'Cause I never thought that I'd ever lose your love
Dear why'd you do me this way

I never felt more like crying all night
'Cause everything's wrong and nothing ain't right
without you
You got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but cry over you

I never felt more like running away
But why should I go 'cause I couldn't stay without you
You got me singing the blues

I never felt more like singing the blues
