(Vaughn Horton)

I was wrong in blaming you and the fool for leaving to
If it's too late to say I'm sorry that we're through
Could you search your heart and see if there's still a
place for me
If there is come and get me, take me home.

Take me home, take me home
'Cause I'm homesick and I'm helpless on my own
Can't you see I'm out of place and ashamed to show
my face
Please forgive me, come and get me, take me home.

Take me home, take me home
'Cause I'm homesick and I'm helpless on my own
Can't you see I'm out of place and ashamed to show
my face
Please forgive me, come and get me, take me home...
