(The things I might have been)
I might have been a helpless soul with nothing much in
store
I might have been without a gold just dream and
nothing more
I might have known a life alone but that's where you
came in
Your lovin' arms have saved me from the things I might
have been
[strings]
I might have been a kind who roam a stranger
everywhere
Or one of those for stay at home with no one's lips to
share
But your sweet kiss has changed all this and made my
life begin
Keep lovin' me don't let me be the things I might have
been
The things I might have been
