Once upon a time there was a tavern where we used to  
raise a glass or two  
Remember how we laughed away the hours  
And think of all the great things we would do  
Then the busy years went rushing by us we lost our  
starry notions on the way  
If by chance I'd see you in the tavern we'd smile at one  
another and we'd say  
Those were the days my friend we thought they'd  
never end  
We'd sing and dance forever and a day  
We'd live the life we chose we'd fight and never lose  
For we were young and sure to have our way  
La la la la lay those were the days oh yes those were  
the days

Just tonight I stood before the tavern nothing seemed  
the way it used to be  
In the glass I saw a strange reflection oh was that  
lonely woman really me  
Through the door there came familiar laughter  
I saw your face and heard you call my name  
Oh my friend we're older but no wiser for in our hearts  
the dreams are still the same  
Those were the days...
