(Jimmie Rodgers)

--- Yodel ---

I'm always blue feeling so blue
I wish I had someone I knew
Just to help me tuck away
My blues, lonesome blues.

So won't you be that someone to help me lose the blues
I really need someone to love me someone to kiss
Someone to scold me someone to miss
So help me tuck away my lonesome blues.

--- Yodel --- Instrumental ---

I really need someone to love me someone to kiss
Someone to scold me someone to miss
So help me tuck away my lonesome blues.

--- Yodel ---
