Visit "[We Could](#)" on MotoLyrics.com

If anyone could find the joy that true love brings a girl
and boy
We could, we could, you and I
If anyone could ever say that their true love was here to
stay
We could, we could, you and I

When you're in my arms, I know you're happy to be
there
And just as long as I'm with you, I'm happy anywhere
If anyone could pray each night and thank the Lord that
all is right
We could, darling, we could, you and I

If anyone could find the joy that true love brings a girl
and boy
We could, we could, you and I
If anyone could ever say that their true love was here to
stay
We could, we could, you and I
