What am I living for if not for you  
What am I living for if not for you  
What am I living for if not for you  
Oh, oh nobody else nobody else will do

What am I longing for each lonely night  
To feel your lips to mine to hold you tight  
You'll be the only love my whole life through  
Baby, nobody else, nobody else will do

I want you close to me that's all I know  
I want you all the time  
'Cause darling, I love you so

What am I living for if not for you  
What am I living for if not for you  
What am I living for if not for you baby  
Nobody else, nobody else will do

What am I living for if not for you  
Baby, nobody else, nobody else will do  
Baby, nobody else, nobody else will do
