I've got my angel on my mind
That's why I'm walkin'
There's such an ache in this old heart that I ain't talkin'
The little hand that held mine tight
Just waved goodbye tonight
I've got my angel on my mind
That's why I'm walkin'
With an old love on your mind
Life ain't worth livin'
I breathe your name with every breath I'm breathing
Why could I never see

How much you meant to me
I've got my angel on my mind
That's why I'm walkin'
Should I pass you on the street
And I miss speakin'
Would you charge it to this memory I'm keepin'?
Should my head be bowed low
Hear my song and then you'll know
I've got my angel on my mind
That's why I'm walkin'
I've got my angel on my mind
That's why I'm walkin'
