Have you found since you turned me down the one that  
you've been searching for  
Are you glad that you made me sad you know I vowed  
to love you ever more  
What did you have in mind when you broke this heart of  
mine  
Are you laughing in my face  
Darling what can I do when you said we were through  
You've left a wound time can't erase  
[ piano - steel ]  
Tell me dear are you satisfied to be foot loose and  
fancy free  
Is it power you want for the things that you have done  
What you've gained I guess I'll never see  
What did you have in mind...
