May the life that I live be yours  
Love may the best I can give be yours, love  
And from this moment on may a love  
That is strong and lives on and on be yours love

May the sons that I raise be yours  
Love may the comforts I praise be yours love  
If I ever get weak may the love words I speak  
And the arms that I seek be yours, love

May the Lord's shining grace be yours  
Love may the happiest face be yours love  
May the last fingertips that touch these two lips  
As life from me slips be yours love  
As life from me slips be yours love
