[Roscoe Umali] Oooh! Yeah Avila Brothers (Avila Brothers...) Roscoe Umali (Umali...) Chorus: Sam Salter
It's true, girl I've never seen nobody work it like You girl
Hypnotized with the way that you Move, girl Baby, come
roll with me And let's Girl, let's [Roscoe Umali] (Verse
1) If any wondered, wondered, by the one-hit wonder
Here's hit number two in the last two summers Pulled
up smooth in a brand new Hummer Lookin' all brand
new with the brand new stunners See little mama, and
had to get her number Ass so fat, you could see it from
the front I had to get it from her, in fact, I had to
wonder If I get a chance to run game, then I'm a run it
like "Look here, girl, I love what you working with I love
how you work your hips Your outfit is a perfect fit,
you're perfect For a boss like me who'll know how to
work it (Work it...) Repeat Chorus (Verse 2) Hold up Wait
a minute Get it, get it, can't wait to get it And yeah, I
got a girl, back home, but you Make it hard for a player
to stay committed, so Bridge: Sam Salter (???), you're
mine You gotta let me know Baby, stop wasting time Go
where you wanna go (Verse 3) Let's go, let's get
together Let's get on a jet and change the weather
Whatever you wanna do, we can make it happen Take a
chance with me, that's all I'm askin' Repeat Chorus
Twice [Avila Brothers {*Sam Salter harmonizing*}]
You, you, you girl You, you, you know [Sam Salter &
Avila Brothers] You, already, know Who's, taking you,
home You, already, know Who's, taking you, home
[Roscoe Umali] It's me, girl... We got another one right
here Avila Brothers [Sam Salter & Avila Brothers (Avila
Brothers in background)] Y'all ain't ready Y'all ain't
ready (Get it on, get it on) Y'all ain't ready No, y'all ain't
ready (Get it on, get it on) Repeat Chorus Twice
[Roscoe Umali (Roscoe Umali & Avila Brothers)] Sam
Salter {Get it on, get it on} Sway & Tech I see y'all {Get
it on, get it on} Ha ha (Ha ha...) It's the Artisans {Get it
on, get it on} Yeah [Avila Brothers] Get it on, get it on
Get it on, get it on Get it on, get it on
