Burst into heaven
Kiss in the cotton clouds
Artic sheets and fields of wheat
I can't stop coming down
Your shrunken head
Looking down on me above
Send me home like an elephant stone
To smash my dream of love
Dreaming till the sun goes down
And night turns into day
Rooms are empty i've got plenty
You could move in right away
Seems like there's a hole in my dreams
In my dreams in my dreams
Down through the heavens
Choke in the cotton clouds
Artic sheets and fields of wheat
I can't stop coming down
Your shrunken head
Looking down on me above
Send me home like an elephant stone

To smash my dream of love
Did your bed and bookshelf go
And run run run away
These four walls saw the rise and fall
And your midnight getaway
Seems like there's a hole in my dreams
Or so it seems
Yet nothing means anything anymore
