Down down you bring me down
I hear you knocking down my door
And I can't sleep at night
Your face it has no place
No room for you inside my house
I need to be alone
Don't waste your words I don't need
Anything from you
I don't care where you've been or
What you plan to do
Turn turn I wish you'd learn
There's a time and place for everything
I've got to get it through
Cut loose 'cause you're no use
I couldn't stand another
Second in your company
Don't waste your words
I don't need anything from you
I don't care where you've been or
What you plan to do
Stone me why can't you see

You're a no one nowhere washed up baby

Who'd look better dead

Your tongue is far too long

I don't like the way it sucks and

Slurs upon my every word

Don't waste your words

I don't need anything from you

I don't care where you've been or

What you plan to do

I am the resurrection and I am the life

I couldn't ever bring myself

To hate you as I'd like

I am the resurrection and I am the life

I couldn't ever bring myself

To hate you as I'd like
