I got your letter
I felt so scared to
pick up the paper knife
and read within

I read the contents
I got what you meant
I know it's hard on you
but don't give in

Maybe, maybe
slow things go fast
Maybe, maybe
it's all in the past

(chorus)
Oh oh if you need me don't let go
(you know I'll never give up on you)
Oh oh if you need me don't let go
(you know I won't give up on you)
Ooh, ooh ooh
Ooh, ooh ooh

You know I will never
give up on you

I phoned the station
for information
To try and get the
times of trains to York

And on the platform
I saw your hatform

a kind of halo in the crowd
crush talk

But baby baby
don't run away
Maybe, maybe
it's just today

(chorus)

Don't let go
(don't let go)

No I will never
give up on you

I saw your sad face
you dropped your suitcase
And I appreciate
the state you're in

You mustn't worry
You mustn't hurry
I know it's hard on you
but don't give in

Maybe, maybe
slow things go fast
Maybe, maybe
it's all in the past

(chorus)

Don't let go

I will never give
up on you

I'll, I'll never give
up on you
