

Wang Chung "Ornamental Elephant"

Visit "[Ornamental Elephant](#)" on MotoLyrics.com

I've got an ornamental elephant made of ivory
I've got an ornamental elephant made of ivory
The ornamental elephant element's in our soul
The ornamental elephant element's in our soul

My ornamental elephant hangs from my earring
My ornamental elephant hangs from my earring
The elephant is very small
The elephant is very small
The ornamental elephant element
resides in our soul

In our soul

I've got an ornamental elephant made of ivory
I've got an ornamental elephant made of ivory
The elephant is very small
The elephant is very small
The ornamental elephant element
The ornamental elephant element
The ornamental elephant element
resides in our soul

The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
resides in our soul
The ornamental elephant element
