[Verse 1]

I'm high on the hill looking over the bridge,
to the MCG.

And way up on high, the clock on the silo
says eleven degrees.

I remember

I remember

[Verse 2]

I'm dreaming today,
the month of May
all the burning leaves.

I'm not hearing a sound,
my feet don't even touch the ground

[CHORUS]

I remember

I remember

I go leaps and bounds

I go leaps and bounds

[Verse 3]

Down past the river
and across the playing fools,
the field's all empty,
only for the burning leaves.

[CHORUS]

[Verse 4]

I'm high on the hill
looking over the bridge
to the MCG

I'm stumbling around
my feet don't even touch the ground

I remember (x4)

[repeat CHORUS]
