hey babe, I'd like to talk to you
How's about coming back to my room
for a little boom boom

You keep coming to me (you keep coming to me)
I can feel your dynamite (I can feel your dynamite)
I know when you move
get in the groove
you're driving me crazy
crazy for you

Cuz everytime you come to me
it's time for us to boom boom
You keep coming close to me
and feel the burning fire

all the time you come to me
it's time for us to boom boom
can't you see the spark in me
and feel my strong desire

Chorus:
boom boom boom
let's go back to my room
so we can do it all night
and you can make me feel right (repeat)

To be or not to be (to be or not to be)
Don't you know I like the fight (don't you know I like the
fight)
getting to you (getting to you)
you're driving me crazy
crazy for you

Cuz everytime you come to me
it's time for us to boom boom
You keep coming close to me
and feel the burning fire

all the time you come to me
it's time for us to boom boom

can't you see the spark in me
and feel my strong desire

(Repeat Chorus)
