Hey, Patsy Girl!
I love the way you're lovin' me
And if you leave me, how it will grieve me
So don't you leave me

With your kisses honey sweet - sweet - sweet
You're the sweetest girl I meet - meet - meet
I love my Patsy Girl, my Patsy Girl
I love my little Patsy Girl!

Hey, Patsy Girl!
I love the way you're kissin' me
Eyes like a tiger, teeth like a viper
You make my head whirl

Gotta love you ev'ry day - day - day
So don't you ever go away - way - way
I love my Patsy Girl, yeah, yeah, yeah, Patsy Girl
Oh, oh, oh, I love my little Patsy Girl!

My Patsy - Patsy - Patsy
Patsy Girl!
