I
I won't shut you out
Let me in pretty baby

I
I won't let you down
Oh
it's a sin
pretty baby
It's a sin
pretty baby.

I believe in you

Since the time we're together
I believe in you
When you say that you love me
When you say you need me
A whole life through
I believe in you

Take me into your heart
Let me in pretty baby

Into your life
my love.

True
truly I must say
You're the one pretty baby
True
true love 's here to stay
We'll have fun pretty baby

I believe in you
From now on till forever
I believe in you
When you say that you love me
When you say you need me
A whole life through
I believe in you
I won't leave you alone

It's a sin
pretty baby
It's a sin
pretty baby
I can't make it alone.
I can't make it alone.
