Ewan:

Never knew I could feel like this

Like I've never seen the sky before

I want to vanish inside your kiss

Every day I love you more and more

Listen to my heart, can you hear it sing?

Telling me to give you everything

Seasons may change... Winter to Spring

But I love you until the end of time

Come what may

Come what may

I will love you, until my dying day

Nicole:

Suddenly the world seems such a perfect place

Suddenly it moves with such a perfect grace

Together:

Suddenly my life doesn't seem such a waste

Nicole:

It all revolves around you

Together:

And there's no mountain too high

No river too wide  
Sing out this song and I'll be there by your side  
Storm clouds may gather  
And stars may collide  
But I love you, until the end of time  
Come what may  
Come what may  
I will love you, until my dying day  
Oh, come what may  
Come what may  
I will love you  
Nicole:  
Suddenly the world seems such a perfect place  
Together:  
Come what may  
Come what may  
I will love you, until my dying day
