Ewan: Love is a many splendoured thing, love, lifts us
up where we

belong, all you need is love.

Nicole: Please, don't start that again.

E: All you need is love.

N: A girl has got to eat.

E: All you need is love.

N: Or she'll end up on the streets.

E: All you need is love.

N: Love is just a game.

E: I was made for loving you baby, you were made for
loving me.

N: The only way of loving me baby, is to pay a lovely
fee

E: Just one night, give me just one night.

N: There's no way, 'cause you can't pay.

E: In the name of love, one night in the name of love.

N: You crazy fool, I won't give in to you.

E: Don't leave me this way, I can't survive, without your
sweet

love, oh baby, don't leave me this way.

N: You'd think that people would have had enough of
silly

love songs.

E: I look around me and I see, it isn't so, oh no.

N: Some people want to fill the world with silly love songs.

E: Well what's wrong with that, I'd like to know, 'cause here I go...

Love lifts us up where we belong, where the eagles fly,
on

a mountain high.

N: Love makes us act like we are fools, throw our lives
away

for one happy day.

E: We could be heroes, just for one day.

N: You, you will be mean.

E: No I won't!

N: And I, I--I'll drink all the time.

E: We should be lovers.

N: We can't do that.

E: We should be lovers, and that's a fact.

N: Though nothing, will keep us together.

E: We could steal time...Just for one day.

Both: We could be heroes, for ever and ever.

We could be heroes, for ever and ever. We could be
heroes...

E: Just because I will always love you.

N: I can't help loving you.

How wonderful life is...

Both: Now you're in the world
