The French are glad to die for love

A kiss on the hand

Maybe quite continental

But diamonds are a girl's best friend

A kiss may be grand

But it won't pay the rental

On your humble flat or

Help you feed your um pussy cat

Men grow cold as girls grow old

And we all lose our charms in the end

But square cut or pear shaped

These rocks don't lose their shape

Diamonds are a girl's best friend

(Tiffany)

(Cartier)

Because we are living

In a material world

And I am a material girl

(Come and get me boys, ow)

Black Star

Last call

Talk to me Harry Zidler

Tell me all about it

There may come a time

When a lass needs a lawyer

But diamonds are a girls best friend

There may come a time

When a hard boiled employer

Think you're awful nice

But get that ice or else no dice

(Girls)

He's your guy when

Stocks are high but beware

When they start to descend

(Ooh)

Diamonds are a girl's best

Diamonds are a girl's best

Diamonds are a girl's best friend

(Let's make love)

(Ooh)

(Ooh yeah)

(Ooh)

(Ooh tiger)

'Cause that's when those louses

Go back to their spouses

Diamonds are a girl's best friend
