The French are glad to die for love
Always fighting in duels
But I prefer a man who lives
And gives expensive jewels
A kiss on the hand may be quite continental
But diamonds are a girl's best friend
A kiss may be grand but it won't pay the rental
On your humble flat or help you feed your pussycat
Men grow cold as girls grow old
And we all lose our charms in the end
But square-cut or pear-shaped
These rocks don't lose their shape
Diamonds are a girl's best friend
Tiffany's. Cartier
'Cause we are living in a material world
And I am a material girl
Come and get me boys
There may come a time when a lass needs a lawyer
But diamonds are a girl's best friend
There may come a time when a hard-boiled employer
Thinks you're awful nice but get that ice or else no dice

He's your guy when stocks are high

But beware when they start descend

Diamonds are a girl's best

Diamonds are a girl's best

Diamonds are a girl's best

Let's make love

Everything's going so well

'Cause that's when those lasses go back to their
spouses

Diamonds, are a girl's best friend
