Zidler:

Spectacular, Spectacular

No words in the vernacular

Can describe this great event

You'll be dumb with wonderment

Returns are fixed at ten percent

You must agree, that's excellent

And on top of your fee

All:

You'll be involved artistically....

Chorus:

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

Various:

Elephants!

Arabians!

India!

and courtesans!

Acrobats!

and juggling bears!

exotic girls!

fire eaters!

artists and contortionists

Intrigue, danger, and romance

Electric lights, machinery

Oh the electricity!

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

So exciting

The audience will stop and cheer

So delighting

It will run for fifty... years....

Spectacular, Spectacular

No words in the vernacular

Can describe this great event

You'll be dumb with wonderment

The hills are alive, with the sound of music

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

Duke:

"Yes, but what happens in the end?"

Christian: \*cough\*

The courtesan and sitarman

are pulled apart by an evil plan

Satine:

But in the end she hears his song

Christian:

And they're love is just too strong...

Duke:

It's a little bit funny

this feeling inside

All:

So exciting

The audience will stop and cheer

So delighting

It will run for fifty years

Christian:

The sitar plays secret song

helps defeat the evil one

Though the tower of thrills and riddles

but it's all to no avail.

Zidler:

I am the evil maharaja

You will not bestow me

Satine:

Oh Harold, no one could play him like you could!

Zidler:

No one's going to.

All:

So exciting

Will make them laugh, will make them cry

So delighting

Duke:

"And in the end should someone die?"

All:

So exciting

The audience will stop and cheer

So delighting

It will run for fifty... years...

Duke:

Generally I like it
