And It's called the Moulin Rouge
Feel the beat of the rhythm of the night
Forget about the worries on your mind
Feel the beat of the rhythm of the night
Forget about the worries on your mind
When it feels like
the world is on your shoulders
and all of the madness
has got you goin' crazy
It's time to get out
Step out into the street
Where all of the action
Is right there at your feet
Well...
I know a place where we can
Dance the whole night away
And it's called the Moulin Rouge
Just come with me and we can
shake your blues right away
You'll be doing fine once the music starts
Oh...yeah

Feel the beat of the rhythm of the night

Dance until the morning light

Forget about the worries on your mind

We can leave them all behind

Feel the beat of the rhythm of the night

Oh the rhythm of the night..

Forget about the worries on your mind

We can leave them all behind

Look out on the street now

the party's just beginning

The music's playing

A celebration's starting

Under the street lights

A scene is being set

A night for romance

A night you won't forget

So...

Come join the fun

This ain't no time to be staying at home

The moulin rouge is going on yeah

Tonight is gonna be a night like you've never known

We're gonna have a good time the whole night long

Oh yeah...

To the beat of the rhythm of the night

Dance until the morning light

Forget about the worries on your mind

We can leave them all behind

To the beat of the rhythm of the night

Oh the rhythm of the night..

Forget about the worries on your mind

We can leave them all behind

[Spanish]

Cuando sientes que el mundo esta encima de tÃ

y la vida te tiene como loca,

conozco un lugar donde podemos bailar

yes yes yes yes

rythm of the night

rythm of the night

And it's called the Moulin Rouge

Feel the beat of the rhythm of the night

Dance until the morning light

Forget about the worries on your mind

We can leave them all behind

Feel the beat of the rhythm of the night

Forget about the worries on your mind

We can leave them all behind

Feel the beat of the rhythm of the night

Forget about the worries on your mind

We can leave them all behind

Feel the beat of the rhythm of the night

Oh the rhythm of the night..

Forget about the worries on your mind

We can leave them all behind

oh rythm

wanna feel the rythm
