[Originally by Operation Ivy]

I know that things are getting tougher  
When you can't get top off from the bottom of the  
barrel  
Wide open road of my future now...  
Its looking fucking narrow  
All I know is that I don't know nothing  
We get told to decide  
Just like as if im not gonna change my mind  
All I know is that I don't know nothing  
Whatcha gonna do with yourself  
Boy better make up your mind  
Whatcha gonna do with yourself boy  
You're running out of time  
This time I got it all figured out  
All I know is that I don't know nothing...  
And that's fine
