Video night
Like it's '85
Video night
With the corn and the dogs???
Video night
Parents gone till four
Now it's video night
We're gonna call some girls

And if were lucky
We can get a hold of someone in tight
I had my arms around her just before the intermission
Every time a chance arrives I freeze up like a
snowstorm
All I know is there's a key turning in the front door
Video night's gone

Video night
Got remote control
Video night
For the beta deluxe
Takin' the bus
To get the latest release
'cause it's video night
We're gonna call some girls

And if were lucky
We can get a hold of someone in tight
I had my arms around her just before the intermission
Every time a chance arrives I freeze up like a
snowstorm
All I know is there's a key turning in the front door
Video night's gone

Video night
Got a color TV
Video night
Got a case of RC
Taking my time with massive gille
Video night
We're gonna get to first base

And if were lucky
We can get a hold of someone in tight
I had my arms around her just before the intermission
Every time a chance arrives I freeze up like a
snowstorm
All I know is there's a key turning in the front door
Video night's gone
