Clinton: Somethin' new

Chorus(2X):

Stop, drop, suck on my presidential cock

Oh, oh

Thats how Monica Lewinsky blows

Clinton:

Interns wanna try, Interns wanna lie

Then Interns wonder why, They catch it in their eye

All I know is pain

All I feel is rain

How can I maintain, with madd bitches on my brain

I resort to violence, secret service move in silence

Like you don't know what are style is

D.C. politians the wildest

My bitches is wit' it

You want it? come and lick it

She took it then she licked it

If oral sex is sex, damn right I hit it

What the fuck you gonna do, when I cum all over you

fuckin' wit' my balls too, don't know what im gonna do

I'ma have ta show wiggaz how easily she blow wiggaz

When you find out there's somemore wiggaz, that's

runnin with her wiggaz

Nothin' I can't handle, break it up and dismantle, light it
up like a candle

just cause I can't stand you

If you heard the lewinsky tapes, if you think that shes
bussin' grapes

If you think you shes overwieght? Then you havent
seen Linda Tripp on tape

Chorus(2x)

Is ya'll citizens crazy?

I'll buss you and be swazy

Stop actin' like a baby, mind your business lady

Nosy Interns get it too, when you see me point my dick
at you

you know I wanna get head from you
Ya I know it's pitiful
That's how Clinton gets down
Watch why cock spit round
Make ya'll interns keel down, to suck dick my now
Oh you think it's funny then you don't know me honey
It's about to get ugly, give me head I'm horny
I guess you know what that mean, come up off that
green
Five bitches over eighteen, i wanna make it
