"Goodbye My Love"

hear the wind sing a sad, old song

it knows I'm leaving you today

please dont cry or my heart will break

when I go on my way

Choris:

goodbye my love goodbye

goodbye and au revoir

as long as you remember me

I'll never be too far

goodbye my love goodbye

I always will be true

so hold me in your dreams

till I come back to you

see the stars in the sky above

they'll shine wherever I may roam

I'll pray every lonely night

That soon they'll guide me home

Choris
